Dear Families,

I am writing to advise you that we suspect that nits / head lice are present in the hair of some students within the Ponds School.

Please check your child's hair for nits / lice tonight using the methods recommended in information from NSW Health (<http://www.health.nsw.gov.au/publichealth/enviroment/headlice/treatment.asp>) a copy of which is attached.

If you find any eggs or lice please commence treatment as recommended.

Further information on head lice is available on the NSW Health website (details above) or through the Department's website at:
[http://www.schools.nsw.edu.au/studentssupport/studenthealth/conditions/headlice/index .php](http://www.schools.nsw.edu.au/studentssupport/studenthealth/conditions/headlice/index.php).

I appreciate your assistance in this regard.

Yours Sincerely

Leonie Donaldson
Principal
