

28 March 2019

Dear Parents and Carers,

On Friday, 29 March 2019, teach.NSW Branding and Promotions for the Department of Education will be visiting our school with their media team. They will be sourcing imagery for potential future publications.

It will be a fantastic opportunity for our school to showcase the great students, staff and facilities we have at The Ponds School.

I am asking all parents and carers to assist students in wearing their full school uniform on Friday.

We will be referring to our permission sheets to ensure only students who have permission for Department of Education publications will be photographed. Images of a number of classes completing a range of activities in various areas of our school will be taken.

Thank you for your assistance.

Yours Sincerely

Leonie Donaldson
Principal
